

# Posiflex Mini FanFree KS-2010 Enters Mass Production.

TAIPEI, TAIWAN, Sep. 30th, 2008 –

The KS-2010 is the Mini FanFree touch screen POS terminal designed for innovation, housed with aluminum case and textured on high-gloss polycarbonate front bezel. The 10.4" mini size chic design is able to fit on the exquisite small counters and provides the effective operation.

## The Improved Cooling System Design.

KS-2010 is constructed the vertical fin ventilators that provide the excellent thermal dissipation, so the natural air ventilation without fan is sufficient for system operation. Accommodate with the power consumption, low noise, also supports application in much wider environment conditions and provides the system reliability.

## Support WinCE, WinXP and Linux Environment.

KS-2010 supports WinCE, WinXP Pro, WEPOS and Linux OS environment.

## Mini but Options Applicable

Top mount upgrade kit with options of MSR with software controllable parameters through USB port.

**KS-2010 is scheduled for the mass production from Oct 2008.**
