

TX-3000S Product Launch Notice (Revision)

2011-01-28

Dear Partners,

Posiflex delivers the TX-3000S as a middle-range fan-free POS system.

In order to bring value-added product to you, Posiflex unveils smaller footprint model TX-3000S, which is changed from TX-3000 without tail cover.

The TX-3000S comes with modern and technical sensation. Its trim outline strikes an impression upon first sight, and the aluminum die casting is adopted to show a glimpse of fashion and also enhance the thermal solution. The TX-3000S contains Intel Pineview SC 1.66GHz (Optional Dual Core 1.66GHz) CPU, 2.5" HDD or SSD and a variety of connectivity like LAN, Serial, PS/2 (Optional), USB, VGA and CR ports inside its compact figure.

The TX-3000S is flexible for space-sensitive retailers to deploy it.

Features:

- Equipped with the efficient Intel Pineview SC 1.66GHz (Optional Dual Core 1.66GHz) CPU to lower energy cost
- Fan-free design boasting quiet and anti-dust features
- Patented aluminum die casting design for efficient cooling
- Wide range of I/O supports for various applications
- Compact size and wall mount capability for ideal space arrangement

The difference between TX-3000 and TX-3000S are their sizes and benefits.

Model	TX-3000	TX-3000S
Dimension (W x D x H in mm)	270 x 253 x 86	270 x 200 x 86
Benefit	Well-executed outlook	Lower costs in shipment, storage etc.

Please send in your demands or contact your sales for the further arrangement today. If you have any questions pertaining to this announcement, please do not hesitate to contact your sales representative.

Note : For detailed specification, please refer to our brochure, website or quotation.
