

Product Launch Notice

KS-6910HS, KS-6910TS

2011-07-08

Dear Partners,

Posiflex unveils the infotainment terminal KS-6910HS and the TellPOS terminal KS-6910TS for healthcare and retail markets, respectively. Both of them are integrated with VoIP capability via built-in handset. Moreover, the KS-6910HS offers a tilt-adjustable camera to make a video call.

The KS-6910HS enriches the life of the elderly by its thoughtful design and communication functions. With optional 55 Tone healthcare software, the KS-6910HS can offer a variety of entertainment, on-line communities, live diagnoses session, etc.

The KS-6910TS can also be bundled with optional BonusPay software and contactless smart card reader CC-1000 to generate set loyalty campaigns automatically for target customers to maximize merchant's marketing synergy.

Features :

● KS-6910HS
